a) Applications.

 WD/2023/3073/FR - Downsview Farmhouse, Sheepcote Lane, Chalvington, BN27 3SY - Retrospective Application For Conversion And Extension Of Agricultural Building To Form Dwelling.

Members noted that this was an agricultural building which was converted to and has been granted planning permission as a holiday let, however, this is now being used as a private dwelling. Members felt that whilst a private dwelling is better for the community than a holiday let, nonetheless they could not support this application for retrospective planning permission as it is wrong to apply for planning permission as a holiday let and once permission has been granted to deliberately go ahead and build the property as a private dwelling.

RESOLVED – Not to object to the application

89. Allocation of the VAT repayment to the Community Field project – Cllr Bishop reported that the Parish Council have received the sum of £2,235.87 VAT repayment from HMRC. As the bulk of the VAT was the Community Infrastructure Levy (CIL) expenditure on the bench, the VAT repayment belongs in the community infrastructure levy budget, therefore it is appropriate that the VAT repayment be spent on a community project. It was therefore proposed that the VAT repayment be allocated to the community field and earmarked for the community field project.

RESOLVED – To allocate the VAT repayment of £2,235.87 to the Community Field Project.

90. 20 mph Speed Limit - To consider a request to ESCC - Cllr Ruddock-West introduced the report outlining the case for the introduction of a 20mph speed limit in Ripe. He explained that ESCC will conduct a traffic survey to monitor speed and volume, this will help to determine if the introduction of a 20mph speed limit is viable. If the feedback aligns with the vision of the Parish Council, a Community Match Appraisal can be commissioned, this will cost £500 plus VAT. If the scheme is given the go-ahead, ESCC will help fund the implementation through its Community Match Scheme. It was noted that the Parish Council has £2,500 set aside for Traffic Management, (£1,500 in an Earmarked Reserve and £1,000 in this year's budget).
